

A cafe right in your office

Enjoy small batch, hand roasted coffee with a Virtu Bean-to-Cup Brewer. The Virtu brings the barista to the office!

- Creates excellent cappuccinos, lattes, authentic espressos, hot chocolate, mochas, americanos and simple coffees with the touch of a button
- Grinds, then brews fresh, whole bean coffee, one cup at a time
- Two whole bean hoppers- lots of mild, medium and deep roasted bean options
- Requires no wasteful filters, leaving only 100% compostable grounds
- Fun, easy to use, interactive touch screen menu

The ultimate bean-to-cup experience
